SOME GENERAL

NEWS ITEMS!

A telegram from Maricopa to the Phoenix Herald, dated December 28, says:

"News of a shocking murder at Maricopa water tank this morning was brought in by a tramp, one of a party of three who discovered the dead man."

The murdered man arrived here last afternoon about one o'clock on foot and took lunch at Edwards' hotel telling the waiter there he had been working at Phoenix as a teamster.

He had been in a runaway and his hands were badly skinned and bruised.

He then started to the tank, expecting to find a fresh train from Phoenix.

The tramp who brought in the news was fired from a train during the night and found the body of the murdered man.

The victim was found in a struggle with a man while sitting on the tank.
